GIVING BACK TO & CELEBRATING LOCAL HEROES

TRUE Community Event Sponsor Built. Volunteer Run.

Raised for Local Heroes Since... 2015
\$170,000

Thanks to the support of community sponsors, ticket buyers, and hundreds of volunteers, our local heroes, the first responders of the LaPorte Indiana region have received around \$170,000 since 2015. Those funds have been used to keep our communities safer - providing for needs outside of regular funding.

This event will ALWAYS stay with its tradition of focus... recognizing local heroes - first responders! Sponsorship shows the community that these heroes matter to you and gives you the ability to share the event with employees or customers via special table tickets for each night of the event.

In 2023 approximately 8,500 were in attendance, The first year of a THREE DAY event! The event is held at a 300 acre farm field between LaPorte and Michigan City with thousands in attendance each night! Your support is crucial to helping bring to life this benefit event.

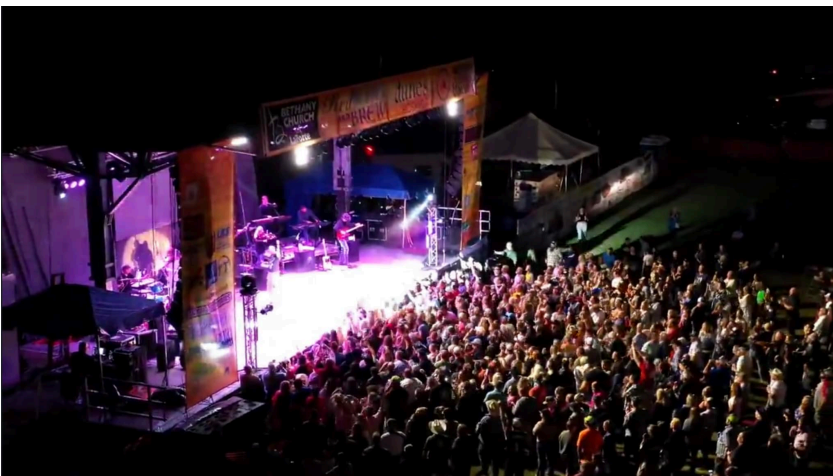

Bethany Church organizes the event with a love for this community and first responders and 100% of the proceeds after expenses are given back to local heroes. Local businesses and sponsors help to bring some of Nashville's best Country Artists to the region for one of the largest events of the summer which combines a craft beer and wine tasting with a country concert and a DRONE grand finale!

From the tasting, first responder demos, concert, and drone show ending, there is **A LOT** to making this event happen and **YOU** can help be an integral a part of that. **THANK YOU for considering supporting local heroes through sponsorship!**
